Quote:Games of renegade are not won by snipers or bodycount, rather by destroying the enemy base.

Maybe in little games.All I play are 52 or bigger if ones up and its pretty rare that the whole base is destroyed.

I just get my sniper and pick people off and Im mvp or close every game.I wouldnt say an aimbot would be useless.You could be killing every enemy sniper or 1k character that comes near you which would get your team lots of points.
