--oo0o00oo--^ half the arguements on this board are just plain stupid. i just dont get how after, how ever many years its been, people still care what this guy thinks. dont u people get it, he always needs to have the last word, just stop throwing fuel on the fire and it will go out.

listen to this guy people he tells the truth....

PantherWhat an interesting read...

yeah you really gets the feeling that it was worth your time :rolleyes:
