McCain/kerry will never happen, kerry said it the other day (we knew it all along, anyways)

personally, i would like to see McCain oust Bush. I was for him back in 2000. But i digress. I'd rather see a republican in office than a democrat, and for purely ideological reasons (in the states, anyways. You guys exert WAY too much foreign pressure on other countries [I.E. mine] for me to want to see a democrat in office in the states.)
