drunkillAhhhg its tuesday night and its wed in like 40 mins, hehe so we need more updates! well wed here anyway, still like 5am over in the us...

sooo exiting, sooo cool, now dont tell us that you have meetings on mondays

I have meetings every day. I just have to balance my time to get these out of my head. If I attend a meeting and have to focus on other things, the story wouldn't be of a very good quality.

Qulaity over quantity always, young one.
