John Shaft Jr.Hehehehehe... that brings back memories when me and some of my friends took one of our passout buddies and drag him on top of one of his roof. Man it was funny to see his face in the morning. :twisted:

That is why I didn't drink. I preferred to play "Fuck With the Drunk". A very fun game for the designated driver.

When I was in college, I was at a Frat Party when this chick showed up. She was the BIGGEST F'n "Ct" BITCH you could ever meet. She was a hottie, and she knew it. Well she drank till she passed out. We all (about 40 of us guys and gals) shaved her head. They had a picture of some of us taking turns with the razor. This chick got a hold of the picture and all of us in the shots got \$250 disorderly conduct tickets. It was worth it.

note: I think most of you can figure out what "Ct" means. I have only used that word on 3 occasions, and prefer not to, unless it is warrented.
