But How do you know he wont come back looking for his 3 year old question to be answered.you know some people forget about things and check up on them later. way way later. You dont need to be a member to view the forums. you will all feel sorry when he re-registers and reponds with a Thank you.

BuckeryBut How do you know he wont come back looking for his 3 year old question to be answered.you know some people forget about things and check up on them later. way way later. You dont need to be a member to view the forums. you will all feel sorry when he re-registers and reponds with a Thank you.

lol, hopeful are we?

I don't even think that this is FROM a person, I think it was added in by Crimson to replicate the old forums or something

<http://www.renegadeforums.com/profile.php?mode=viewprofile&u=167> <--- he wouldn't have to reregister.

He's not going to come back His last post was in March of 2003.

He was actaully a good modder and had some very old map making demo's on his site. I used to read his site a lot cos he had loads of good things on it. Please close this topic though. I think we can!!

Tilly
