Ok, don't know if you sent it to me the first time, but if you did I didn't get it. Which probably means the **** JCU servers won't let me receive a file that big. I don't think AOL will either, but its worth a try. Bumpaneer@aol.com If you could please send it there when corrected.

Acually it'll be tomorrow untill I fix it.. Post your e-mails here if you want it tomorrow.I need sleep.The problem is that the mod has to runw itht he maps.. so I need to tkae hte city map and make it.. then save the map and the mod.. I havne't messed witht he mapping part os I don't know how.. but it should be easy.. People that psot there e-mails wil lget it tomorrow.
