Why do u want to annoy ACK so much that you want to do this?

This seems useless and Zunnie has every right to comment how he feels without being shot down for it!

I love how you two have the same cute little name thing going on.

[flyingfox]

[zunnie]

Is it standard operating procedure for everyone in your clan to not get the same jokes, and reply the same idiotic way?

sigh....

By your own logic, you refute your own argument. I refuse to engage in intellectual satire explanations with simpletons.

That's pretty funny. Given the title, I would have expected some connection to our favorite fictitious cult military.

This maybe true but you seem to want to go after ACK rather than people just simply replying their opinions on this one topic. We all know ACK loves to check spelling, punctuation and grammer and then make sure people know about it. I know you have every right to have a go back but all I say is why?

Trust me I am not a simpleton as anyone who knows me will tell you this. I'm not one for flaming or even having a go like this but I stand up for my friends and Zunnie is a great friend of mine. I have know him for over 1 & 1/2 years now. I'm sure you stand up for your friends as well. (Even if it is as pointless as this is)

I understand the joke, I found it slightly funny but hey I'm not bothered about trying to have yet another go at ACK. He does a great job and look at what he is doing for RA, It is awesome.

I have nothing against you mate and I wont after this just please don't make assumptions about my intelligence before you know me to judge me.

Thanks

Tilly

Fair enough. I see your point, but I don't think you see mine.

It's a lighthearted jab at the grammar nazi.

I do see your point and like I said I know he is the grammer nazi but hey my opinion is to leave him be yours isn't and that is where we differ so lets agree to disagree and be happy that we are both happy
