Hey, i just came back from canada and i would like to say it is a great place. The only problems i see in canada is the massive amount of smoking, but other than that it looks like a great place to live. While i was coming back from canada i was remembering that havocman TS incident that happened over a year ago. Does any one still have the audio from the incident? With my cable modem i can download anything XD. I sure love my cable modem.

Lol, I'm currently on vacation in Oregon, and I'm using 28k dial up for now.

At home I have 3mb cable. (w00t!)

I have Blazer's edit of the TS conversation. I downloaded it from n00bstories I think. If Blazer or Crimson don't host it anymore, PM me and I can email it to you if you want.

We should sticky lists of things like this. ACK's reply by DJlaptop and the "All your base belongs to us" flash would be good to have links to. I think there is even a Flash of ACK's reply somewhere I think. The RG jokes were a hoot as well..."RG saved me 15% on my car insurance"...Instant classic!

Funny stuff.

Yea, good job soldier..

It was really the normal version I was looking for too, even just the havocman stuff. If anyone has it, please send it over MSN and I'll host it. Thanks for the offer of the remix, though.
