Some people enjoyed them...I quit hosting my 10 player C&R after I couldn't get BR figured out.

Carnageclub is really fun, when you come home at 02:30 AM from a disco a bit drunk, and not in the mood to sleep. Although I don't Like RPG and C&R.

RPG is pretty boring, Haunted 2 was a very interesting map for C&R.

The cops and robbers server you were palying on was most likely the 16 player SEELZ server ("TS" LA Game). It's our clan server (I'm sealdjm).

~I'm not sure why it wasn't up this weekend, I think sealwupa was playing on a different server all weekend playing C&C mode. <http://www.1-000.com> is the website for the server.

sealcity had a backup of the server going at the weekend but nobody joined due to the strange name, in the future if "TS" LA Game isn't going then look for anything like "SEELZ clan server dedicated to Flukeshot" (Flukeshot is the account used to host "TS" LA Game).
