Well, after we had to close TwA, since it was in such bad shape as a clan, some of us just weren't satisfied. We didn't want what we once had as a clan to all be gone just like that. So we decided to build a new clan, and try to bring it back up to what TwA once was. Our clan is called the Dark Angels, and we will be wearing or clan tag "Da" in WOL. I know there are more people around that have Da in front of their name on wol...but we went with it anyway.

Our site is finally up at www.thedarkangels.net. So if you want to check us out, and just say hi, head over and register at our site. We hope to see you there.
