ahh cool, he made a m01.mix for me... its pretty cool.. but thier needs to be some kind of objective...

Thier is also ctf type mode in the latest scripts.dll maybe it could be ctf could be based off that.

Also, I was thinking of something like having 6 beacon pedes around the map, which ever team successfully 4 wins the round...

WTF? Fanmaps is now a clan? Have I missed something here?
what happened to SoQ? or are there just 2 clans now?

LOL, lately I've been in hibernation

So why did you (maybe others) leave SoQ to form -FM- ???

I wanna know
