Ok

The idea is that You have to think up a comeback for the last bash or flame that preceded you. kinda like the person below you topic but with bashing and flaming.

EX:

"1st post:You suck
2nd post: no you suck
3rd post: you suck dick."

and so on.

Lets start!

YOU ARE GAY!

A mod needs to change the title of this thread to: "The person who started the thread (flame war)"
