He also threatened Crimson . . . I don't care that he threatened me, not like he could find out where I live anyways Even if he does he'll probably not do anything because he lives to far away or something stupid like that. . .

Ah...Anyways, most of the community, I thought, would have seen that and reported it by now. That's pretty much what I meant by "who let this one by?"

Anyways, are you going to do anything about the screen name?
