We have talented modelers, mappers and coders.

But we have an incredible lack in texture artists.

If you think you can help us :

renardin6@hotmail.com

(being able to texture buildings is a 'plus')

So you need help so you won't suck, or what? You already have a "talented guy" on your team for that and you need someone else, lol you'll never finish this...

Need help because other than one or two other textures I have seen are all made by Renardin.
The addition of another texture artist would help improve productivity.

Fine Fynefox. Contact me asap

And for that :

AircraftkillerSo you need help so you won't suck, or what? You already have a "talented guy" on your team for that and you need someone else, lol you'll never finish this...

I will have my payback for all your bash. It's called Reborn. :rolleyes:
