Have you seen Equaliser's website? news its crazy: quote: Sorry about the delay. The last 2 days have been extreme adrenaline pumping, in my world. Drinking a sh*t load of beer, lol! And rideing some WERY extreemee rides, like reversed bungee, and Being strapped to a propeller of a windmill.. YEEEHAAAA!!! But now im back.. will now continue work on site.. hehe Lol --Shaun--[

I have made my basic level in gmax, and want to make it into a playable level... How does one do that. Gmax can only save .gmax files
