Well one of my old, recently bumped topics gave me an idea, post your n00b pics. Whoever post the picture of the biggest n00b whilst playing online, wins.

So go online and go hunt some n00bs.

You did... notice how you're the only person in the game, therefore you took the screenshot in a

non-dedicated lan game. If it were on WOL or GSA, there would be at least one other person in the server, or you'd be taking screenshots of "Gameplay pending".

Stupid idiot.

Glyde, to be totally honest, that picture looks very fake, you just HAPPEN to be standing in the right position for a perfect picture, hmm.

Anyway, lets stay on topic...

Am I the only person who takes pictures of idiots online? (i may regret that comment, knowing that I am in every pic)
