just found this

http://www.pbs.org/kcts/videogamerevolution/arcade/name/name_that_game.swf

what to do: you hear a sound from an old game and then you need to say what game it is, pretty hard if you dont know all games

my score 10/16

8/16.

Great Quiz, I was Shocked by the amount of games I totaly forgot about but have played, that came back in this quiz.
