[27-11|16:12] <FanMaps1Bot> [BR] Removed a player with excessively long name

[27-11|16:12] <FanMaps1Bot> Initializing Westwood Online Mode

[27-11|16:12] <FanMaps1Bot> Logging onto USA Server

[27-11|16:12] <FanMaps1Bot> Creating game channel...

[27-11|16:13] <FanMaps1Bot> Creating game channel...

As you can see above the guy joined the server and he initially got removed by BR automatically for having a too long nickname.

However we also have a bot that kicks people when their nick is longer than 22 characters.

It is NOT the nickname that crashes the server here but its the KICKmessage in response to the botkick.

Removed the autokick for now.

Anyway, for anyone who wants to know:
