1. The Renegade Forums have absolutely NOTHING to do with someone being banned from any forums. Chances are most BC members won't come through here and see this post.

2. The majority of the forums have said #1 plenty of times, so I know what the majority feels.

Yes, I know, I hate my life so much. I'm right on the edge of committing suicide, and if I don't give an attitude on the forums I will surely kill myself. :rolleyes:

All I have to say is this:

These are the wrong forums. We have nothing to do with BC. Also, you don't see a "I Got Banned, Help" forum. Maybe if there was, people would post in that, and I wouldn't have to point out what I said. I mean, he didn't even post a picture of his reticles.
