Start a new Renegade game>Go to a purchase terminal and press the E key on your keyboard>Press quickly two times the left button on your mouse (not your pet mouse) on Raveshaw icon to get a railgun.

bobodudel want to know how i can make it in my server so you start off with a rail or ion gun!

Oh well why didn't you make it clear, I don't know, perhaps this post should be in server issues.
