I tried to go on it but we can only see shits like that :

Quote:This site is defaced!!!

NeverEverNoSanity WebWorm generation 11.

On every pages... I don't who is that hacker or if it's the same that attacked us, but if he is french, let us know it.

My 'words' to the hacker : FUCK YOU MORON!

Reborn then Renalert, who's next ? I mean wtf is that, renegade community doomed ?

good for you then but the hacker might attack your new website.

http://trielite.afraid.org/glydeblog/ -> it seems that we can protect our websites from that problem.
