There is a TS/FS mod that turns it into TD, i haven't tried it myself though.

It's named "The Return Of The Dawn" and can be found here: <http://www.ppmsite.com>

I can't buy anything online except from <http://www.pcworld.co.uk> (my mum only JUST let me sign in credit card details on that site).

Other than that, oh well. Original question: anyone know about a mod?
