I think that you should change the way your clan play MR.Speed, it used to own all...

Now it's... You know... not as good as before !

Be the real BA, not some BA...

I assume you and the other guys on your side are in the same clan?

Want a 4v4?

In 2002, they pwned many ass... But most of the good members left it.

I am not in a clan. I won't be anymore.

I was Dead-6 with matt (gsaelite), duelcoot, twiztidjuggalo, appothis, darkside... We ruled Renegade a long time ago... Now most of our old good members went to Gse Clan.

Renardin, nothing in the Game is the same as it used to be. Can't expect BA to be.

Respect them for still being around though.
