I got a digital camcorder for Christmas and I am having fun making digital movies. My first hand-edited movie (courtesy of Vegas Video) is presented below for your viewing enjoyment.

Yeah, I'm sure Aircraftkiller will say the textures are all wrong & really look like horse pockey...

That looks like fun & the music is "right dar"! Great video!

That song is good & remember that ol' school "Basketball" song from that 80s rapper...Damn can't remember his name!? It starts out "basketball is my favorite sport & I like the way they dribble up & down the court..."

Any of those street thugs Ren players?

Kozar is the one in the white shirt -- he plays as genlkozar in Renegade. The guy with the short dark hair plays Renegade as "agcg56".
