Thank you Spony for noticing that my post was about a tourney. Yes im the leader or a clan, and a damn good one at that. We mainly are a* Have fun clan, and dont get to wound up in the clan war stress shit. Our group has been around for over a Year now.

We are part of the RenwarZ community if you know them.

Also, I do have a great bit of Computer Knowledge, so if you need help(like the guy with Teams speak) maby i can lend a hand.

Thanks again for not * Raking me though the coals * as SickO told me yall yould probably do.

But if thats still to come, I can *Rake with the best of em .

Well I got out of SH b/c of a few reasons, I see now they were stupid, just immaturity i guess) then my parents PWNED me, when I finally got back to computers and renegade i saw that it had totally changed, for the worse.

Scampl played on Renbattle and Renwarz back in the days when phoe wasn't staff. Good times. Aww man - I got my whole SH banned from Renbattle back in the day... :oops: Anita (Phoe) & I ABSOLUTELY DESPISED anyone associated with Renbattle & now the funny thing is that they ALL are best of friends...Hell, our one time sworn enemy **STAFF**Dogg came down from D.C. & **STAFF**1ijac came from California for our party last year. It was great - they're great people.
