@C4Prox: lol, you never change. Every picture of you is almost identical. You're like Gordon Freeman, except you're not stuck inside stasis. Now grow a beard, wear glasses, and go hit someone with a crowbar.

My picture shall stay somewhat secretive...at least until I can get a better camera.

I always laugh at Zach's Christmas picture. His brother's putting on a fake smile, and Zach's trying to be a hardass with his AC/DC hat by not smiling.

EDIT: Homey: I look too old with it, I wanted to date a girl my age for a change.

Despite the fact I no longer play Renegade, I watch these boards very frequently. Yes, I've got bored, so I moved to BF1942/FH. Well, who cares!

I'd like to present my little family, with its new member, Heitor, who just reached 6 months. Here we are:

Regards for everyone.

Gus aka havocbr.

Edit:

My "old" friend Jonathan Holmes, you look like Dave Murray...LOL...Nice to see you alive and kicking, and working on a TC for HL2 based on RA...Can't wait!

Silent KaneC4miner has porn on his screen in the picture.

um....Thats AirCraftKiller dude....

Anyway, I found some of me:

Me throwing down a Hudsonville guy last year.

Me in my Senior pic. My complexion never looked as good as it does in this picture

in case your wondering why i have different numbers in each pic. Its because i took my Senior pic thinking i was going to be a tight end, but they later moved me to guard because they wanted to play me but they never used tight ends. So i had to switch from #40 to #61 because an offensive guard cannot have an eligible number.
