its not that we have no life its that this is our hobby we do in our SPARE time. I myself go to college, have a girlfriend, a nice car, and a nice home. Please dont ruin it for those of us who like to enjoy the game. Being harrassed by cheaters ruins it for everyone except the cheater. Plus, if you do it in any of our servers, we will Serial Ban you so you can never come back :twisted:

Dont ask for cheats here. Go to that gay assed www.*****s**.com shit to ask for them if you're that desperate. :rolleyes:

(Hope I'm not releasing too much info to the people who do not know wth I'm talking about)
