Wait? This is you or your wife. I know you sad your wife sometimes posts under your account. Not to mention when I think of the name Pat , A girl comes to mind. Plus you seem like your typing differently.

Hey Sick, good luck. But,,,,,,,,,,,,,you'll be back. I tried a couple of times to leave just being burnt out and found nothing else out there. However I know your case it is something else that is taking you away, but again "you'll be back" giggle. You class bud. Stay in touch now and then.

No, LOL it's me (Patrick)- my wife, Anita, is a smart gal but she can't spell worth a flip & that's how you'll know ...Yeah, I'm seriously trying to take a self-disciplined break from the game as frustration levels have been high lately. Maybe I should change my name & pretend to be 17yr old girl named Pat... Thanks again, you guys are alright
