Looks like gunsmoke...the TV show. Or maybe another western that was out about the same time who's name escapes me at the moment...but yea. Gunsmoke, final answer.

Peace out,

-Kingdud

it's mario brothers
havn't seen it in almost 10 years, but I can still remember the tune

the guy standing on the pillar used to change locations too, awesome show

Super Mario Bros.

It's the animated series with the interludes done in real-time. I'd never forget that one.
