Firewall needs to allow the port RG is on; enable port; disable RenGuard.

Stares at girl in Background

disconnect from the internet,
re-connect.

Try again.

Failing that, restart PC

also stares at BG

Not working for me either. I tried rebooting, no worky.

And it worked just about 20 minutes ago...

[edit] I think the server is down.

ROFL

This is an optical illusion.

If you stare long enough at the picture, you should be able to see an error message.
