OMFG this has to be the hundredth thread about his. There is still an active one 4 threads down!

BUT since your new, im not going to be so pissy about it. Frankly WOL goes down all the time, all you can do is check it every once and again.

it was semi working a little while ago, although there were about 20 players and you couldn't join any game.

by the way I can't tell if that's a man or a woman in your picture
