I just wanted to let you all know that there is a Gamespy renegade ladder... If it gets participation they are planning on hosting live events... That means they will give away prizes for winners of live events, but you must be registered for ladder you can find it at <http://arena.gamespy.com/ladder/28860> I realize it is a little late but i think it will help the community....

Its not as automated as the WOL ladder, but it's still very much worth it. Especially for clans.

I'm already signed up...If any of you people play GSA, be sure to sign up & put links on your clan website etc.
