Everytime i see people acting like that, it reminds me why the education system has to change.

I lost alot of respect for you crimson, and it's a shame.

Stuff done to amuse others doesn't make my brother and his friends "stupid". You really need to

lighten up. As you can see in the movie, the other people in the restaurant were enjoying the performance, too.

Your brother and his friends are always good for a few laughs! Hopefully I can get out there this year to visit you all again as I have yet to see the new digs at PlanetCrimson, not to mention maybe I can get a real picture of the logo (and not a crappy phone picture)!!

Yeah when people 10 times the size of me came up to me and my friends when we were having a good personal game, and interfer with our fun, i would smile like that too. Doesn't mean i enjoyed it.

People don't go to those places to have a bunch of guys come over to them and hit their puck around. Maybe if you saw it from the outside you would understand. Everyone around you is saying "Who raised these people?", "Why do they think that is appropriate?".

That was good. The pyramid was classic, but I cried at the end. Why? Because I heard that someone did a techno cover of Fade to Black. I'm depressed now.

Ripintou -- it's the PPP at Metrocenter Mall, so maybe you have been there.

Oblivion -- lighten up. Like we really cared what those kids thought, furthermore, if they really bitched I would have given them 50 cents to buy more tokens.

The girl at the end is my sister Jenny.

SickOptometrist, I think we're just going to do self-made videos... but if you have ideas of things we can do, I'm all ears.

JeffLee: Get your ass over here.

Well, these guys have all recently or currently worked in customer service/retail so they/we are respectful to the employees.
