Is there any way that someone could make the CTF mod work with gamelog? I am running a new server and I want gameolg so all my scripts work right. Thanks for any help.

Server Host Name: aoBFGsrv1

Game Name: BFG CTF Server 1

It wouldn't be that hard, just a matter of getting the CTF scripts and adding them to gamelog, I'll give it a go in a bit.

dont you run NR? lol

NR dont use gamelog just SSAOW logs

Anyone get it to work with the CTF script yet? I just want to know, and when you do, I would appreciate if you gave it to me!
