Make them or dl one here:

<http://www.planetcnc.com/files/main/index.asp?category=renegade&section=structures>

But you will have more fun with it if you made it yourself.

Nah, no I won't. It'll look all wierd

For the appropriate lighting, would I use omni or target directional?

I set up the lights, and used Target Spot. But when I test it on LE, it doesn't show any lights. Help?
