Where can i get the complete renegade single player buildings? With both "working" exterior and interior?

I tried getting them from .w3d missions (terrain) but it's to hard and the textures will fuck up.

The buildings.zip on the Westwood FTP has them I think...

Okay, after checking, I found it does: <ftp://ftp.westwood.com/pub/renegade/tools/BUILDINGS.ZIP>

Really? I thought those only had MP base layouts.

I'm downloading it now... It's pretty big.
