I can't find the story on this, but I heard it on the radio this morning. I had a nice chuckle as I awoke before heading to school. Anyone heard of this?

A texas man was charged with drug offences and some other charge (I forget). His name? Fred Flintstone. Authorities had said that they had made fun of the man while arrestnig him at gun point.

:rolleyes:

Edit: AH HA! Found it (well, its not alot)

From the crime column of the Lewisville (Texas) Leader, Feb. 14: arrested on charges of drug possession, driving while intoxicated, and driving without a license: Mr. Fred Flintstone, 34.

Well, if he was drunk, and carrying drugs, maybe it was the first name he could think of...
