<http://mediamatters.org/items/200503220009>).

Since that's all it apparently takes to be a nobel nominee, I have OFFICIALLY NOMINATED Sean Hannity for the Nobel Prize in PHYSICS. Here's my letter. It announces my nomination of S.H. and says something nice about his Continuing Contributions to Making the World a Better

Letter going into envelope addressed to the Nobel Committee's PO box at the Royal Swedish Academy of Science. Notice no zip codes in Sweden.

All sealed up & ready to go.

The lovely and very helpful Patty at USPS.

Yours,
