I made a script that supposed to make you have 1,1

For some random reason, something else interfered and I got that.

Didnt die, that was random.

Why does this thread exist! What did I do to deserve having my brain raped by another mind numbing thread!

Why god!
Why!

DJMdeafive, I wish you could do this:
It's not deadfive who started this thread. Although, dead6re is just as big of a n00b.
