No, LOL, I showed these to the forum over a year and a half ago, but the funny thing was that I got zero, zippo, nada response... I was worried all y'all were calling child services or somethin'...!

I thought they looked pretty damn funny & thought I'd share 'em again since y'all know me a little better now...

Funny thing is that this was a nightly occurrence at my home for about two years - Soon as I walk

in the freakin' door from work - "Dad, Can we play fight? Please, please...puuwweeeez?" He loves the crap - rougher, the better. But now, he's too daggum big. I had to cut it out...
