I am starting a clan called Total domination the site will be up next week @  
<http://www.TDxclan.com>.

We have 2 members, 1 = me (former FM and MP) 2 = Pino (also former FM and MP)

We will make it multigtaming with a thing as if you want to start a new game section for the clan and we dont have it yet then you can start a clan with our permission of course and lead the game section you chose.

We are recruiting for renegade now because we have a leader for it,

If you are wanting to join or start a new section then please speak to me on msg @  
[xDPsych0@hotmail.co.uk](mailto:xDPsych0@hotmail.co.uk)

Hope you consider joining,

Psych0
