Remember that this was brought to you, and caused by, yours truly. Well over a year ago.

Best parts are:

The beginning for five minutes
19:00 to 28:00

Listen to that and you'll cry from laughter.

Remember that Aircraftkiller was brought to you and caused by his parents, well over a year ago.

I can't think of any "best parts" about that, sorry.

So this event was indirectly caused by Aircraftkiller's parents. Should we all be thanking them instead?

Good times, good times... being one of the original people on TS listening is a plus. The only people I remember being there were me, Aircraftkiller, Havocman, Piro, Aprime, and afkaos, who recorded the whole thing. There were others but I don't remember who they are.
