Damn! its like every game I join or host, all you here is people saying noob. A noob is somebody new to a game right, but I don't give myself time to learn most games because its always a new game comin out.Maybe if I was like some of you people and just live my life on renegade , I won't hear that word no more. Some people act like hoes " The noob won't defend the base" shit im here to play ,not defend a god damn base. So in closeing I would like to say FUCK YOU people for calling people noobs.

You know while most of you so called great players are getting your rocks off to this game, I'm getting my rocks off with your old lady. NOW NOOB THAT!

kinghigh1Some people act like hoes " The noob won't defend the base" shit im here to play ,not defend a god damn base. So in closeing I would like to say FUCK YOU people for calling people noobs.In every game I've played, you have to give to get. Someone always ends up with the short straw. You won't always be able to be with the winning team with an attitude like yours: "I'll do what I fscking want because I'm a retard who cannot fathom what teamplay is, let alone do it!".

kinghigh1You know while most of you so called great players are getting your rocks off to this game, I'm getting my rocks off with your old lady. NOW NOOB THAT!No reason to start a flamewar here. Obviously someone has pissed you off. Try talking with them or ignoring them. Don't inform us of your personal problems.

It's interesting how he calls people who learn the game (it's not THAT hard to do, as it takes about 30 seconds of your life) "people with no life", yet he's the one that comes into an online forum to complain.

And I'll take being called a hoe as a compliment. I do very much enjoy removing the unwanted people that tend to grow in Renegade, and cultvating those who want to improve the game.
