Lynyrd Skynyrd owns all of you peons. I just got back from a concert with Cheap Trick opening for them, and let me tell you this, it was awesome! It was just pure ownage. There were like 3-4 different generations there, and it even included some toking (not by me though). Anyways, I just figured I'd brag about it before I went to bed. Post your jealousy.

\$39 for floor-level seats.

Let me tell you, the concert was worth \$100.

Journey, Whitesnake, Allman Brothers, Grand Funk Railroad, Beach Boys, and others are playing at the Common Ground Festival in Lansing in July. July 11-17 it is. 7 day pass is like \$79, and each show's like \$25.

Rap is NOT about making a better life for yourself. Stop fooling yourself, retard. Don't tell me this "some people will never understand rap" bullshit. I listened to it for 6+ years, and it sure as hell is NOT about making money and a better life. If it was, then wouldn't rap be a little more upbeat? Wouldn't it be a little more positive rather than talking about bitches, hos, and gangs?

If you don't know who the Hell Lynyrd Skynyrd, then you're one stupid fucker. Hey, you're just like one of the kids in my brother's school! Congratulations for being a retard. Now fuck off, or start talking on topic.

Mosh pits, anyone?

I've yet to go to a concert, but I'm dying to go to one. As for Lynyrd Skynyrd:

I HATE YOU. PLEASE DIE. I WANT TO SEE THEM SO BADLY.

Now to the topic of rap:

Rap isn't real music. That's right, it is NOTHING like real music. Real music doesn't need 150 profanities in a song to sell a lot of records. Real music doesn't need the vivid descriptions of murder and rape to fill out concerts. Real music doesn't glorify alcohol, marijuana, cocaine, and ecstasy in its songs. Real music doesn't have butchered English, which is then imprinted on today's youth to make them dumber than ever.

Rap is not real music. The sooner people realize this, the sooner humanity will rise of its current stupidity.

MTV GET OFF THE FUCKING AIR - The Dead Kennedys

That pretty much sums up what I think about your MTV tickets and any idiot who paid you for them.

You said it yourself already, EMO. Emo is crap and I would not argue you on that, its pussies crying into a mic about how much they hate life blah blah blah. I hate it and the only reason I listen to it at all is because if a girl is with me and likes it then fine she can listen to it because that'll make em happy, even if it is about dying lol.

The fact that when we're talking about classic rock bands, REAL rock music like Skynard and AC/DC, Eagles ect you brought up EMO music shows your an idiot whos completly out of touch with what music is.

Quote:rap was meant to empower the black community back in the day

Back in the day MABEY, I don't think anyones arguing that. We are here and now, the rap music thats destroying a nation's youth and they're values.

Quote:excluding like enimen cause hes got personal issues..

I've got issues and problems too. Do I carry guns around with me and beat up on woman?? Nope. His clame to fame? You see, this is what im talking about. If it wasn't for idiots like you keeping this cycle going he woudln't have money. He shoudln't have it in the first place. He hasn't worked hard to get it and doesn't deserve it. He does nothing but throw swears with some threats and insultes and sell it to our kids like candy. He promotes killing cops beating woman drug use blah blah blah. Anyone else think its funny all these girls think hes SOOOO hot when all he wants to do

is beat up on them and then get in tehre pants and leave them.

Quote:you cant brag like them cause you dont have millions of dollars lol

Nope, wouldn't brag even if i did have a million dollars, not like them. They got it off drugs and influincing violence. If i had that kind of money I still wouldn't buy 50 million dollars worth of cars and shit, because i don't need it. I'd still shop at TJ-Max , I'd still go out and skate everyday and wear my jeans and a t-shirt with some holy skate shoes. Thats me and i wouldn't change that. Yea i wouldn't be driving a 1988 Cavalear anymore, but i woudln't be driving a few million dollar bently or w/e. I'd get me something nice like a New Supra or Integra, my parents would get a New Suburban, not a hummer. No need to rub money in peoples faces, its not the money in your pocket its your character and actions that matter in the long run.

I could go on but i wont. 10 Minutes before school and i have finals today. (I got 88 out of 100 on my Option II College Prep english class Vocab Test) WISH ME LUCK PEOPLE

Lijitsu: The concert was awesome. If I could remember the order of songs played I would list it, but I can only remember the first played and the last two. They started off with Saturday Night Special and then ended with Sweet Home Alabama, and then for their encore they played Free Bird. I knew all of the songs, but just not the lyrics to about half of them. >.>

They are definetely one of the greatest bands to ever play, and for me I would venture to say that they are the greatest American band to ever play.

Plus, he lives in the middle of nowhere and I live in an isolated village, so not much chance of me going to hsi area or him coming to my shitty village.
