This is pretty much what i see when i go to WOL:
CTF Server 0/40
Sniper Server 0/40
Sniper Server 0/40
CTF Server 0/40
Unrules New Maps 14/40
Unrules Default CP1 16/40
Other Unrules Server 14/40
AOW Server 0/40
AOW Server 0/40
AOW Server 0/40
Mission Map Server 6/6
CTF Server 0/40
Sniper Server 0/40
Truth is, its fuckin ridiculous how many of those servers there are.

If that's rediculous... what are the servers for Unreal Tournament? There are dozens of empty servers.
