Can anyone host my map for me? It is done, and I wanted to release it to the pulic. It is called C&C_MidnightForest. Any help would be appreciated. [November 07, 2002, 13:15: Message edited by: vloktboky03]

How? I tried to click on delete topic on the bottom of the page, but it says I have to be an admin to do it. I don't usually start a topic, so I don't know how to delete one.
