#bhs\_support16:49:56 › [ Chi-Yu ] Hmm. I recommend you post issues like this in some kind of FAQ. It's rather difficult to find it using a search function that doesn't even know the meaning of quotes around a search term

16:51:09 › [ @mac ] I'll suggest it to Crimson to update the renguard faq

16:53:18 › [ Chi-Yu ] Maybe this helps to keep your forums running. I'm running a support forum for the "TeamSpeak" software and I found it's good to have a "recycle bin" forum with 7 days pruning. It's better than just deleting threads cause you can still read answers to this thread and it disappears automatically.

16:53:44 › [ Chi-Yu ] Also helps to make the search function more effective

16:54:51 › [ @mac ] anything forum related shall be addressed to Crimson, as I have no admin access there .. sorry

16:57:28 › [ Chi-Yu ] As far as I know, you both are in some kind of team. And as a member of this team you have better chances to contact him. I'm not going to stay here until he comes back online. 2 options: Tell me how to contact him or do it yourself =P

16:59:13 › [ @mac ] First of all, address the lady as a "she"

16:59:40 › [ @mac ] Second - I appreciate your input and I suggest to make a forum post in the renguard forum with your suggestions. That way, I can point it to her

16:59:47 › [ @mac ] and she can also put in what she thinks

17:01:19 › [ Chi-Yu ] I knew it. God is a girl.

So here it is. I left out the Off-Topic discussion that explains why god is a girl, girls are evil, and why "moby" has to write english.
