It hasnt been fixed nub, i was just trying it thirty seconds ago.

I have the scren shot to prove it.

Well by telling me to read, then seeing that it was "fixed" that kinda tells me that you thought it was fixed. And besides, mines a somewhat different, i dont want to kno whuts wrong, i want to kno whens it gettin fixed.

And no you didnt say why make another topic, you said that in your second reply.
