...

All you have to do is click next and keep accepting and clicking next and it will install.

lol, i dont think he HAS an fds server

You have to install the Renegade FDS server before you can install brenbot 1.41

i did, but the install button still won't let me click on it.
and where do you download the FDS thing?

`ftp://ftp.westwood.com/pub/renegade/dedicatedserver/`

install that to the default location and THEN install brenbot

OMG...
Go to Win32 FDS, go to Nightma's FDS sticky and post a reply...
Or you can buy one from someone...
